

Group guide for the week of 11.13.10
Presence, Part 4 of 4 | www.fountainchurch.com

Note: This Study Guide is to be worked on sometime during the week as you prepare for your LifeGroup!

Opening question: Share something you're excited about doing this week.

Read 2 Corinthians 5:17-20.

1. What are some of your observations from this passage?
2. What are some of your personal evidence that you are a "new creation"?
3. How do you keep focused on God's "big picture" - the mission of reconciliation (sharing with others)?

4. What are some things you do personally for others to share the message of our need for God?

Read Ephesians 3:20-21.

5. What kind of feelings does this verse stir up in you?
6. What kind of things do you think God wants this verse to spur you on to ask Him to do?
7. So what ever stops us from asking?

Dreaming Bigger

8. Do you have any dreams for 2011-2012 in regard to living on mission and sharing the message of Christ with others?
9. Take time to pray for each other about the dreams and goals we have, and that God will use our church to make an exponential impact in Thurston County this year!
